* Published by Wide World, the reprinted souvenir cover showed NSW and Victorian stamps with main lettering obliterated.

** The estimated quantity is a combined figure for both postmarks. The highest numbered R6 label sighted is 9065, on a cover dated 13 October 1950. High numbered labels seen on covers cancelled with the 4 October circular postmark indicates that they were not used in strict numerical sequence. The highest 4 October R6 label sighted by the editor is 8118. The lowest number R6 label seen with the hexagonal postmark is 1691 on a cover dated 6 October.
